

Winter Lights Garland

Materials:

- Lightbulb Outline
- Coloring utensils
- Pencil
- Scissors
- Hole punch or glue
- String, yarn, twine, etc.

Directions:

1. Print off the lightbulb outline at the bottom of this document. Using your pencil, sketch 12 different winter scenes you can find in nature. This can include plants, animals, objects, etc.

2. Once you have sketched a scene in all 12 bulbs, color them in!

3. After coloring in your bulbs, cut them out. Use a hole punch to make a hole for the string to go through for each bulb and string. Or, you can use glue or tape to attach the bulbs to your string.

4. Hang up your new winter garland!
